Discussion Questions:

1. What do you think the Gulf Coast Adaptation Plan should be? (Consider the definition of adaptation, objectives of a plan, scale, elements to include, existing plans that may inform, etc.)
  
  
  
  
  
  
  
  
  
  
2. What do you NOT want the Gulf Coast Adaptation Plan to be?
  
  
  
  
  
  
  
  
  
  
3. What are some possible outcomes of a Gulf Coast Adaptation Plan? (e.g., policy, programs, on the ground changes)
  
  
  
  
  
  
  
  
  
  
4. Who should be involved in the Gulf Coast Adaptation Plan? (Consider organizations/people who might contribute to the plan as well as those who will use the plan.)
  
  
  
  
  
  
  
  
  
  
5. Other comments you would like us to consider.
